

SYNCHRO IS COMING TO THE DCSC at the SKATIUM!

JOIN DCSC ICE UNITY

DCSC WILL BE STARTING A BEGINNING SYNCHRO SKILLS TEAM AND WE WANT YOUR BASIC 4-6/FS 1-2 LEVEL SKATER ON OUR NEW TEAM!

What is synchro? Synchronized skating is the fastest growing discipline in figure skating! It allows skaters to work on teams of 8-16 skaters all performing the same skills/elements in complete synchronization. Build skating skills, confidence and competition/exhibition experience. Learn team work!

What is the commitment? We will practice on Sundays 4:05-5:05 at the Skatium in Sept - Dec. We will be off Jan and Feb. March and April we'll be back at the Skatium day TBD.

When will we show off our synchro skills? The team will perform at the Hollyberry show in Dec and at the Spring Fling in April. There may also be opportunities for other local exhibitions.

What is the cost? One of the nice benefits of synchro is the team shares the cost of the ice and the coaching fees. Final costs will be determined by the number of skaters on the team but could be between \$130-\$180 approximate cost will be \$75 per month. This would include ice fees, coaching fees and skate dress. Spirit wear such as t-shirts would be additional and optional. The more skaters on the team the lower the individual costs to each skater. Team skaters must also join USFSA Learn to Skate and DCSC – first year club fees are \$50 (this includes Learn to skate fees) , Second year would require full club membership cost to DCSC.

If your basic skills level 4-6/FS 1-2 skater (boy or girl) is interested in learning to skate Synchro please return this form to the office by 7/15/17 or e-mail tishdestefano@comcast.net.

We need a commitment of interest from at least 10 -12 skaters in order to have a team this season.

Synchro Team Interest/Response Form

Skater name: _____ basic skill test level _____
